The choice of provider is yours. This site is for informational purposes only. It is not a substitute for medical, behavioral health, or health care advice. This directory does not recommend a particular provider or type of behavioral health, medical or health care. If you believe you are experiencing a medical emergency, please call 911.

Before scheduling an appointment or receiving services, please check with your provider to confirm available services, and if the provider is participating. The directory is updated weekly. If you think any information in the directory is inaccurate, let us know by clicking on 'Report Incorrect Information' on that provider's page, or calling the number on your health plan member ID card.

Your actual costs may be higher or lower than these cost estimates. Check with your provider and health plan details to confirm the costs that you may be charged for a service or procedure. You are responsible for costs that are not covered and for getting any pre-authorizations or referrals required by your health plan. Neither payments nor benefits are guaranteed.

The site is not a substitute for medical, behavioral health, or health care advice and does not serve as a recommendation for a particular provider or type of behavioral health, medical or health care.

The network of doctors, facilities and medical groups is always changing. Before making an appointment, please check that the doctor, facility or medical group is in your network.
